

Congratulations!

Think you make the best seafood gumbo in town?

We know we do...and we have proof! Team Taylors took home 1st place at the 4th Annual Stone Energy Gumbo Cook Off held at the Cajundome on October 8, 2015. Taylors joined 108 other teams to make an impact on our Acadiana community. Despite the downturn in the economy, over 6,000 hungry gumbo eaters attended the fundraising competition and raised over \$200,000.00 to making a lasting change for a better life for Acadiana families.
