OUR PHILOSOPHY

Provide a Home Away From Home

While you are unlocking the true hydrocarbon potential of the **MSGBC/Senegal Basin**, allow Taylors to ensure that your crew has a clean and healthy place to eat, shower and rest their heads.

SAFETY has a **PRIORITY ONE Status**

Safety is a deeply held value and at the core of everything we do at Taylors, be it onshore, offshore and even in the air as part of our safety policy. Crucial to our outstanding safety performance has been our Behavior Based Safety program.

GLOBAL Presence

Snow, ice, desert heat or tropical rainforests – we are right there with you providing quality services to your crew.

Maintaining Morale | Personnel stationed at remote locations will function at a higher level and maintain better morale when they can enjoy hearty food, clean and comfortable living quarters and a variety of leisure activities.

EMERGENCY / DISASTER Response

We are prepared to rapidly respond to both man-made or natural disasters such as hurricanes, tornadoes, wildfires, earthquakes, oil-spill cleanup, train wrecks and more.

We provide emergency/disaster relief remote site catering, housekeeping and life support services to emergency management agencies, multinational corporations, and to government entities including FEMA, Homeland Security, state governments, police and others.

FOOD SERVICES Catering for Any Sector

Whether you need offshore catering on a full-scale drilling platform, remote site catering at a mining camp, or food for military forces, our services can be customized to meet the needs of your particular project – large or small, nearby or far away.

FOOD | Health & Wellness

It is our objective to offer a fresh, tasty, well-balanced, exciting and vibrant experience. Our goal is to satisfy your workforce by delivering exceptional service, offering variety and choice in the food options. We provide over **43,000 meals each day** to a wide array of clients of various nationalities, religions, ethnicities and cultures. Nutrition, fitness, recreation and social interaction are essential to your crew's health and wellness.
